FIRST TIME AT THE DOGS?

Here's some tips to get you started.

- In races over 520m greyhounds with an inside draw (boxes 1 - 4) have a distinct advantage over dogs with an outside draw (boxes 5 - 8). Greyhounds starting from an inside draw win over 60% of races
- Look for greyhounds dropping back in grade. Usually these are performers that acquit themselves well when racing against weaker opposition
- Follow the money. TAB favourites win 38% of greyhound races in WA
- Follow the leading trainers
- See some of our expert tips located within this racebook
- There are comments provided on each runner in the race pages along with some expert selections
