GRAVITY MONELLI TOO GOOD IN DISTANCE POTENTIAL

Gravity Monelli continued his excellent run of form with a victory in the Distance Potential (601m) at Cannington last Saturday.

The talented black chaser from David Hobby's kennels rolled to his sixth win from his past eight starts with an impressive display.

Gravity Monelli was initially beaten to the lead by kennelmate Tic Tac Monelli, but he powered past that greyhound in the back straight and then surged away to a dominant victory.

He crossed the finish line more than eight lengths ahead in 34.64.

Gravity Monelli's overall record improved to nine wins from 26 starts and more than $56,000 in stakemoney.

It was a big night for Hobby, with a further three winners on the card.

Gideon Monelli produced a thumping victory on debut over the 601m journey, Sunset Caligula won the 520m Free For All and Ramierez Monelli got up over 520m later in the evening.

At Mandurah on Friday night, Hong Kong Phooey was too good in the Chase final over 400m.

TRAINER REGISTRY FOR NEW OWNERS

Greyhounds WA is updating our list of trainers that would like to receive ownership inquiries from the general public.

Increasing ownership, in particular the promotion and creation of syndications, is an important area for industry growth.

The club regularly receives inquiries from the public about how to purchase a greyhound and we hope to match potential owners with suitable and willing trainers.

Furthermore, once we establish a data base of potential owners we aim to allow trainers on the list an opportunity to advertise any ownership opportunities that arise.

If you are public trainer and would like to included on the list please contact the office on 6350 4600 or email: dobrien@greyhoundswa.com.au
