ALL STARS SPRINT FINAL

We're set for a classic edition of the Group 2 All Stars Sprint (520m) with a brilliant field assembled for Saturday's final at Cannington.

Sunset Caligula (pictured above left) and Hurry Up Eric (pictured above right) are the equal fastest qualifiers after they both clocked 29.73 in their respective heats.

Sunset Caligula overcame box eight to put himself into a good position early and then powered past Aston Nero to claim the race.

Hurry Up Eric notched up three wins from his past four starts after he slipped through on the inside and then kicked away for a big victory.

Just A Piastri was the other heat winner after he had just enough left in the tank to hold out a fast-finishing Gideon Monelli to claim the race in 29.80.

Iconic Jet, Strip Weathers, Aston Nero and Pursuit Special are the other greyhounds in the race.

TRAINER REGISTRY FOR NEW OWNERS

Greyhounds WA is updating our list of trainers that would like to receive ownership inquiries from the general public.

Increasing ownership, in particular the promotion and creation of syndications, is an important area for industry growth.

The club regularly receives inquiries from the public about how to purchase a greyhound and we hope to match potential owners with suitable and willing trainers.

Furthermore, once we establish a data base of potential owners we aim to allow trainers on the list an opportunity to advertise any ownership opportunities that arise.

If you are a public trainer and would like to be included on the list please contact the office on 6350 4600 or email: dobrien@greyhoundswa.com.au
